

# CurtishaTHOMAS

**Nonprofit Empowerment Architect**

## Biography

Curtisha Thomas is a powerhouse business development expert and serial entrepreneur known for her unparalleled knowledge across industries, earning her the nicknames “The Plug” and “Siri” from those who rely on her expertise. A Seattle native now thriving in Southern California, she teaches transformative workshops at the region’s largest economic development center, empowering entrepreneurs and professionals to achieve sustainable success. Curtisha also serves as the strategic force behind some of the biggest names in comedy like Ryan Davis, Mojo Brookzz, Drew Thomas, and Aida Rodriguez, while shaping their careers with her visionary leadership and relentless dedication. Her role as a board member for The Source LA further reflects her commitment to fostering creativity, innovation, and entrepreneurship within underserved communities.

As the founder of multiple ventures, including **Gray Segments**, **The Body Butters**, **Chef Tish**, **iCook Catering**, and her personal brand, “**Honestly Tish**,” she has built a legacy of creating impactful solutions that bridge gaps across industries. Known for her no-holds-barred, results-driven approach, Curtisha empowers individuals and organizations to unlock their full potential through practical strategies, innovative thinking, and meaningful connections. Whether launching new businesses, mentoring entrepreneurs, or representing top-tier talent, Curtisha’s unwavering passion, bold leadership, and unmatched work ethic solidify her position as a trailblazer in the business world.
